Follow these instructions to complete the Creative Kickstart kit project:

1. Prepare your board by wiping it clean of any debris or dust. Lay out Chalkology™ Paste Singles and other supplies.
2. Prepare your Chalk Transfer™ design by removing the backer from the Transfer screen. Be sure to "fuzz" the Transfer to gentle the adhesive by sticking the adhesive screen to a Fuzzing Cloth or terry cloth towel to pick up a bit of lint before applying it to your board.
3. Center the Transfer design on your board and smooth to adhere, ensuring there are no bubbles or wrinkles.
4. Prepare your Couture Teal and Sage Chalkology™ Pastes by kneading the Paste Single packets, cutting off the corners, and squeezing the desired amount onto a dish or other palette surface.
5. Load your Small Squeegee and smooth Couture Teal Chalkology™ Paste over the words "Live Your Dreams" in the center of the Transfer screen.
6. Smooth the Sage Chalkology™ Paste around the edges of the design.
7. Working quickly, use your finger to blend the two paste colors where they meet on the Transfer.
8. Squeegee off any excess paste.
9. Carefully peel the Transfer from your surface and use water to clean thoroughly. Lay it flat to dry sticky side up.
10. Once the Transfer is dry, reapply the backer and store flat.
