**Tool:** Mini Squeegee

**Optional supplies:** Color Trays, Fuzzing Cloth

### Color and Placement suggestions:

1. Shimmer Crimson: Borders and accent imagery
2. Black Velvet: Sentiment

### Follow these instructions to complete the Try-Me Kit project:

1. Prepare your Chalk Transfer™ by removing it from the packaging.
2. Carefully peel off the Transfer Backer Sheet.
3. "Fuzz" the Transfer by gently pressing it onto a Fuzzing Cloth to collect a bit of lint (this helps to more easily remove the Transfer from the surface after you've applied the paste).
4. Center the Transfer on the surface and smooth it out to adhere, ensuring there are no bubbles.
5. Knead each Chalkology Paste Single, open the corner, and squeeze the desired amount onto a Color Tray.
6. Use a generous amount of Chalkology Paste on your Mini Squeegee and smooth it over the sentiment (see "Color and Placement Suggestions"). Use a clean squeegee to apply a different colored paste to the borders and accent imagery.
7. Once the screen portion of the design is completely covered, squeegee the excess paste off as evenly as possible and scrape it back into the palette. The more excess paste you remove, the better the result will be.
8. Before the paste dries, slowly peel back the Transfer and immediately clean it with cool water (do not let it soak).
9. Dry the Transfer flat with the sticky side up.
10. Reapply the Backer Sheet and store the Transfer flat.
11. Relish your creation!
