We know you're eager to create with Chalk Couture™ products, and we are committed to shipping your orders as quickly as possible. Due to the incredible response to the launch of our newest products, the current turnaround time is approximately 7–10 business days before orders leave our warehouse.

During checkout you have the option to select expedited shipping; however, at this time, your request will not include an in-plant rush. Please allow the additional 7–10 business days for your order to ship.

We are working as quickly as we can to get marvelous Chalk Couture products on your doorstep and in your hands. Thank you for your continued support.

Design. Love. Repeat.™
