HOW TO FALLIDAYS
CLUB COUTURE™ PROJECT

Supplies Needed

Club Couture™ Transfer: Fallidays

Chalkology™ Paste Singles: Candy Apple, Orange Peel, Almond

Tools: Small Squeegee, Transfer Trimmers, Fuzzing Cloth, Self-Healing Work Mat

Surface: Couture Boutique™ Board (10" x 10")

Color and Placement for Club Couture™: Fallidays

1. Top of acorn: Almond

2. Acorn body: Almond and Orange Peel mixed in marbling effect

Follow these instructions to complete the Club Couture™ project:

1. Prepare your board by wiping it clean of any debris or dust. Lay out Chalkology™ Paste Singles and other supplies.

2. Remove the backer from the Transfer screen and be sure to "fuzz" it to gentle the adhesive by sticking the adhesive screen to a Fuzzing Cloth or terry cloth towel to pick up a bit of lint before applying it to your board.

3. Turn your Transfer over and smooth the screen onto your board.

4. Prepare your choice of Chalkology™ Paste colors by kneading the Paste Single packets, tearing off the corners, and squeezing the desired amount onto a dish or other palette surface (we used Almond and Orange Peel to create a marbling effect on the body of the acorn).

5. Load your Small Squeegee with Almond paste and smooth it over the top of the acorn on the right side.

6. Peel back your Transfer ONLY where you've applied paste to keep it from drying before you complete the next part of your design.

7. Next, smooth more Almond paste in lines intermittently across the body of the acorn.

8. Next, smooth Orange Peel paste in lines intermittently across the body of the acorn.

9. Using your squeegee, smooth paste colors together to get a marbled effect.

OCTOBER CLUB COUTURE TRANSFER: FALLIDAYS

10. Smooth Orange Peel paste across the remainder of the acorn.

11. Peel the entire Transfer carefully and place it in a water bath. Allow your design to dry.

12. Clean the Transfer thoroughly and lay it flat to dry sticky side up.

13. Once the Transfer is clean and completely dry, reapply the backer and store flat.
