**Tool:** Mini Squeegee

**Surface:** Box Frame (5" x 7")

## Color and Placement:

1. Ocean Mist: Words "BE" and "YOU"
2. Eucalyptus: Remainder of words "LIEVE" "IN" and "RSELF"

## Follow these instructions to complete the Try-Me Kit project:

1. Prepare your Chalk Transfer™ by removing it from the packaging.
2. When you remove the backer from the Transfer screen, be sure to "fuzz" each element to gentle the adhesive by sticking the adhesive screen to a Fuzzing Cloth or terry cloth towel to pick up a bit of lint before applying it to your board.
3. Position the Transfer and smooth to adhere to your surface, ensuring there are no bubbles.
4. Prepare your Chalkology™ Paste by kneading the packet, trimming off the corner, and squeezing the desired amount onto a Color Tray or other palette surface.
5. Use a generous amount of desired Chalkology™ Paste color on the Mini Squeegee and smooth it over the words (see color and placement suggestions).
6. Squeegee the excess paste off the Transfer. The more excess paste you remove, the better the result.
7. Carefully peel back the Transfer before the paste dries and immediately put it in water to clean thoroughly.
8. Once clean, let dry with the sticky side up.
9. Once the Transfer is clean and dry, reapply the backer and store flat.
